

East River State Park is located on Kent Avenue between North 7th and North 9th Streets, Williamsburg, Brooklyn

**BROOKLYN GREENWAY INITIATIVE** Brooklyn Greenway Initiative is a non-profit organization advocating for the Brooklyn Waterfront Greenway and planning for its implementation. When completed, the Greenway will connect regional parks and neighborhood open spaces, and it will provide a human scale connection between waterfront communities now divided by highways and transit infrastructure. Benefits to residents and visitors alike will include more waterfront access, better quality of life, more diverse transportation options, and increased economic development for Brooklyn.
